

Directions and parking guidance for Norwich Old Hall School Sports Hall NR9 3DW

- The Sports Hall is situated on the B1172 on Norwich Road. The school usually operates a circular traffic rotation system, with separate in and out entrances, but with construction work on the main building the usual entrance is temporarily closed and all traffic must enter and leave by a single access road (normally the exit). Please exercise extreme caution particularly when entering the school.
- There is plenty of free parking adjacent to the sports hall.
- Please allow plenty of time on your first visit. It is essential that we keep to our timetable. Games must start promptly and will do so even if all players are not present.
