

Directions and parking guidance for Norwich School Daynes Sports Centre, St.Faiths Lane, NR1 4DL

- Vehicular access to the Sports Centre is via Cathedral Street or St.Faiths Lane off Prince of Wales Road.
- There is very limited free parking at the sports hall itself and this is likely to be already full for teams arriving for the 7.30 fixture. If you are lucky to secure a slot here you **MUST** ensure that you collect a visitors permit from the hall office to display on your vehicle.
- On street parking in the area is almost exclusively permit only although there are a few pay and display places in Cathedral Street. The area also contains several small private car parks. Do not use these as they are regularly patrolled with offending vehicles likely to be clamped.
- The easiest option is to park at [Rose Lane](#) and walk the 400m up St.Faiths Lane to the rear of the sports hall.
- There is pedestrian access only to the hall via Ethelbert Gate situated in Tombland.
- You will need a three digit code to enter the two doors to the hall - this will be provided to team managers who should inform respective players and parents.
- Please allow plenty of time on your first visit. It is essential that we keep to our timetable. Games must start promptly and will do so even if all players are not present.
